

## GUARDIAN<sup>50</sup> for a wide range of welding and grinding applications

- » Modern design
- » High impact- and heat-resistant nylon shell
- » Comfort-headgear for longitudinal and angular adjustments, smooth ratchet – covered by a high-quality sweatband
- » The ADF: shade 4, 9-13, 50 x 100 mm viewing area
- » True blue color display
- » 4 arc sensors
- » CE classification 1/1/1/2
- » Switching time to dark: 0,1ms
- » Grind mode via external switch
- » 520 grams
- » Exchangeable battery
- » Article Number: 32371
